TRAINING COURSES

SIGNING, LIGHTING & GUARDING UNIT 010

The CABWI NRAWSA unit 10 course is for anyone who is required to supervise the putting out and setting up of signing and lighting to direct traffic and pedestrians

COURSE OBJECTIVES

- Provide a detailed plan for an intended site, showing all distances and dimensions in accordance with the Street Works and Road Works Code of Practice
- Make formative decisions and recommend remedial action from a given plan
- Observe an operative surveying a work site and record observations and remedial action required from the site
- Record observations made and explain reasons for agreeing or disagreeing with site operations and working practices
- Observe an operative setting up and taking down a site
- Explain any remedial action required

Classroom based theory and practical sessions with scenario-based practical demonstration has been achieved

CERTIFICATION

Delegates will be issued with a certificate valid for 5 years. 8point8 will communicate a renewal reminder prior to your expiry date. SWQR registration is included.
